Face perfection facial - For dry & dull skin

£48

The reactive treatment deeply cleanses to reactivate the skin structure and ensures complete skin exfoliation, for skin that feels smooth and renewed deep down.

Results: Smoother, brighter and moisturised skin.

Defence solution facial - For sensitive skin

£65

The soothing treatment is the first 'biomimetic' face treatment that mimics the natural mechanisms of the skin. It treats and alleviates sensitive and reactive skin by restoring and strengthening the natural dermal barriers to give instant comfort. The skin is decongested and protected today and stronger tomorrow.

Results: Redness reduced and stronger, less reactive skin.

Pure equalizer facial - For acne, congested and oily skin

£65

This treatment purifies the skin by ridding it of impurities and regulating the balance of microbial flora at a dermal level. It minimises the appearance of inflammation and swelling in acne prone skin and improves surface microcirculation and redness.

Results: Balances sebum production, purifies pores and reduces redness.

Hydra perfection - For dry and dehydrated skin

£85

This powerful facial stimulates the physiological hydration mechanism, restoring the correct level of hyaluronic acid and collagen within the skin. This intense hydrating facial results in perfectly moisturised, hydrated and nourished youthful skin that looks smoother and radiant all day long.

Results: Glowing, hydrated and nourished skin with decreased superficial lines.

Age method - For all skin types

£85

A professional youth enhancing treatment suitable for all ages. The rejuvenation treatment is inspired by epigenetics, the science of genes. An innovative formula that works at the heart of the cell, restructuring the damage caused by hormonal skin ageing and modern day stresses. It smoothes out lines and deep wrinkles.

Results: Improves deep extension lines and deeply moisturises skin.

White science - For pigmentation, acne scarring and dull skin

£95

This brightening anti spot cosmetic white science treatment regulates melanin levels at a dermal level, leaving skin flawless and pure as light. An advanced treatment that reduces skin spots, evens out the skin tone and brightens the complexion.

Results: Lightens pigmentation and acne scarring for a radiant, even skin tone.

Filler code facial - For loss of elasticity, deep wrinkles and dull skin

£95

This targets fine lines and wrinkles, enhancing the skins firmness and elasticity by stimulating new collagen and elastin fibres. It will instantly plump, tone and replenish fine lines and wrinkles for younger looking more radiant skin, looking 5 years younger in 2 weeks.

Results: Plump skin, improving appearance of wrinkles on the face and neck.

Acid Infusion Facial

£55 - £150

An inclusive facial for all skin types including sensitive. 100% acid treatment with no downtime. Normalises the renewal of skin cells, stimulates skin tissue, fights photo ageing, chronological ageing to brighten, lighten, hydrate and protect.

One treatment per week for 3 weeks.

£55 single treatment for maintenance, course of three treatments £150

Facial Analyser

The Dibi Milano analyser scans the skin using cutting edge technology. This assesses existing conditions and deeper conditions which are not visible to the eye. We can then address concerns using the appropriate skin care & treatment.

Fire & ice - detox & glow facial massage treatment

£70

Thermo-cryo therapy massage facial – detox & glow my skin

This blended approach of warm and cool temperatures improves circulation and reduces the stagnation of fluids, while promoting deep cleansing and repair. In the warm phase of the treatment, cleansing enzymes of Pineapple, Papaya and Mushroom work with pure Hyaluronic Acid to drench the skin with moisture, increasing the absorption of active ingredients that prevent dehydration. In the cool phase of the treatment, we introduce highly active ingredients tailored to treat your skin concerns.

Contraindication(s) – Hyperreactive Skin, Pregnancy

Desert heat copper wrap treatment

£75

Copper, magnesium & zinc – recharge my body

A wellness treatment to restore, mineralise, heal, de-stress, and tone. This unique self-heating, bubbling wrap rich in copper is one of the best heat conductors used in the medical field for skin repair and wound healing. It is also rich in magnesium and zinc to overcome fatigue and stress. This powerfully-effective, revitalising wrap provides a true sense of relaxation, health, and well-being. As healing and nourishing minerals penetrate the skin, every inch is relieved and renewed resulting in a fatigue-free, mineralised body. Ideal for those with ageing skin, athletes and those prone to chronic pain, rheumatism/arthritis, muscular fatigue and post sports injuries.

Contraindication(s) – claustrophobia, high/low blood pressure, hypersensitive skin, open wounds, pregnancy, sunburn
